

Event & Technology Assistant

This person is here to help make sure the event is smooth for those on the ground, the investors in the tournament, and those watching at home.

This person will help in the following areas:

- One Day Prior
 - o Help with the bump in one day prior to the event;
 - o Equipment tests;
 - o Workspace set up
 - o Assist with opening ceremony / welcome to the event;

- Set up and manage streaming equipment
 - o Set up Gamechanger streams on all back diamonds coverage;
 - o Monitor feed;
 - o Help trouble-shoot technical issues;
 - o Assist with any issues for the main-stream broadcast

We are looking for individual(s) who are available one day prior to the event, or to take shifts during.

Please send your interest to Michael Ibbotson at michael.ibbotson@baseball.com.au.
